Mexico's #1 Mayonnaise has been trusted by generations of Mexicans since 1947. For authentic Mexican cuisine and wherever you use mayonnaise. It is a Premium product with Soybean oil, egg yolks, water and distilled vinegar as the first four ingredients. Compare against the others.

"...and because of its thicker consistency and because it's made in Mexico, I am told that it's a favorite choice for making Elote; its thickness helping the other ingredients stick to the ear of corn. A sucker for a good story, I'll be using McCormick expressly for that purpose in the future." - Los Angeles Times review of McCormick Mayonesa.
